Rules

I. Entry requirements (Hand Dyed Fiber Show)

An entry shall consist of

- 100% protein fiber such as animal fiber and/or silk in combed top or roving form.
- Two (2) essentially identical approximately 2 ounce/ 56 gram hanks. (1 for display and 1 for testing fiber).
- Hanks will be looped by the Show Staff to a max. 1/2 yard in length when hung on the display board. Please take this into account if necessary.
- Hanks may be arranged to best display the dyer's intent but should be secured to allow hanging for display and to be opened for examination by the judge.
- Do NOT include the name of the colorway or any information that identifies you - judges will only see an identification number attached to your entry.
- Include a detailed narrative or statement concerning the fiber and the dyes you have selected and the dye method you have used, and your inspiration.
- All hanks entered must have been dyed since the last Mountain and Valley Wool Festival in October 2023.

II. Categories

- Natural dyes
- Commercial dyes

The judge reserves the option to combine categories/classifications if there are insufficient entries.

III. Classifications

- Home Dyers – those who may sell small quantities of dyed top or roving, but who dye primarily for their own use and enjoyment
- Professional Dyers – those who dye and sell large quantities of top or roving to supplement or earn a living from their dyeing

IV. Awards

Awards are made at the Judge's discretion, and if no entries merit it, an award may not be given. The Judge's decision will be final.

- 1st, 2nd, and 3rd place, Reserve Champion and Champion may be awarded in each category/classification.
- Silver Medallion may be awarded to Best Overall Hand Dyed Fiber entry.
- To be eligible for the Silver Medallion, the source fibers must be 100% animal wool and originate from the MAVWA region, consisting of Colorado, New Mexico, Texas, and the Navajo Nation (NN).
